

# LP3 PERFORMANCE BATTERY CHARGER

## PRODUCT SPECIFICATIONS

The advanced, sequential LP3 Performance Charger Series features an efficient multi-chemistry algorithm in a compact form factor. This design makes it ideally suited to fit on shelves, table tops or other tight spaces in your healthcare setting.

The LP Performance Charger automatically detects which battery has the strongest charge and prioritizes it, ensuring that a fully charged battery is always available in the shortest amount of time possible. Software constantly monitors the charging process and discharge curves to ensure that each battery is charged to its peak performance.

The LP3 Performance Series is the perfect complement to the Elora Modular Battery Series.
